

# *Special Recognition* *for a Special Loved One*

In addition to listings on a beautiful, centralized Donor Recognition Board, on our website, and in ePublications, friends of St. Anne Home who support the Nursing Facility Expansion and Modernization Project with a gift of \$10,000 or more will have an opportunity to display a 4" x 6" portrait in a shared space of the Villa of their choice. Each framed photograph will also include a small plaque with text.

*The rendering of the Villa Benjamin Lounge and photo frame are being used for illustrative purposes and are not to scale. Location and placement of the portrait, as well as the final design of the frame may vary.*
