**Dear Residents and Families,**

We are writing to share some important and exciting news about the future of St. Anne Home, Inc. To strengthen our ability to provide the highest quality care and services, we have entered into a new affiliation agreement with The Carmelite System, an organization with extensive expertise in senior living and healthcare operations.

**What this Means for You:**

- **Enhanced Services and Support:** This affiliation will bring additional resources and innovative practices to improve our services while maintaining the personalized care you have come to expect from our dedicated staff.
