EXPANSION & MODERNIZATION

To continue to offer the highest level of health care services while meeting our residents' ever changing needs, St. Anne Home began a three-year, \$16 million Nursing Facility Expansion and Modernization Project in 2015. Significant progress has been made to date.

By creating a living space that embraces the household model of care, we can provide the ideal environment for our residents' physical, mental, and spiritual wellness.

Your Gift Will

HELP US TO HELP OTHERS

Friends of St. Anne Home can help us to provide the highest level of care to our community's older adults by making a gift to this project's \$1 million Capital Campaign. Contributions of any amount would be greatly appreciated. We hope we can count on your support.

Donors who make gifts of \$1,000 or more will have the opportunity to be recognized for a minimum of 10 years on a beautiful, centrally located donor recognition board at our facility.
